

## Tactical Range

# 966 Poc-KIT Stretcher

The PocKIT Stretcher is a multi purpose lightweight, High Speed Evacuation carrier. This versatile solution is the ultimate in portable stretchers. Contained in a drawer string pouch on your belt, it can be deployed in seconds and saves vital minutes in emergency casualty evacuation. The pouch can be re-used to carry other equipment eg. magazines once the stretcher has been issued. It is manufactured in a Microlight material and is available in Black, Olive and Yellow. It has a multitude of uses-

- Bivi
- Basha
- Ground Sheet
- Concealment properties

**“Make our Poc-KIT Stretcher part of your KIT”**

**IN TIMED TRAILS IT TOOK LESS THAN 20 SECONDS TO EVACUATE A CASUALTY**

PLEASE NOTE: The POC-KIT Stretcher is designed for emergency evacuation and must be used in accordance with the principles of First Aid.
