

hypothermia blankets

COVER ↻ PROTECT ↻ SURVIVE

The **Igloo Blanket** is the ultimate choice for the Military and Emergency Services including dedicated teams trained to save lives in rugged terrain. Available in **Emergency Orange** and **Coyote Brown** for military use.

Life-saving heat to the core

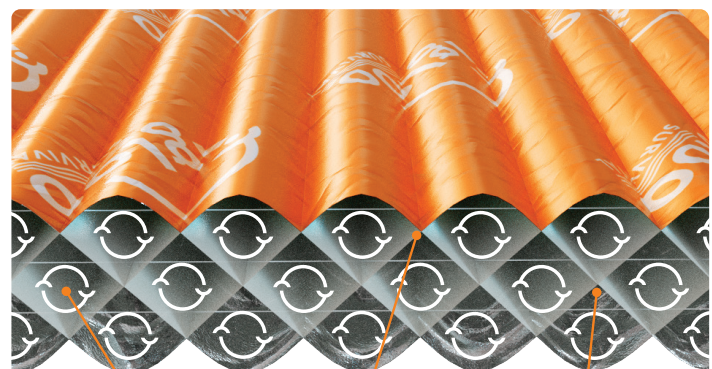

Why is the Igloo Blanket a survival essential?

1 Effective thermal stabilisation

Ultra-light, ultra effective: The Igloo Blanket excels in thermal retention and heat distribution, even under extreme conditions.

2 Rapid deployment

In emergencies, every second counts. The Igloo Blanket unfolds quickly and effortlessly and starts to maintain body temperature in seconds.
Body-hugging fit: The Igloo Blanket adapts to the user's shape.

LIFE-SAVING HEAT:
CELLS TRAPPING AIR

ELASTIC:
HUGS BODY

REFLECTIVE COATING:
REFLECTS HEAT

**EASILY ADAPTS
TO USER'S SHAPE**

Easy to seal and reopen.

3 Reliable thermal performance from incident to ER

Trauma management: Right from the scene of the incident, from prehospital to the operating theatre, the Igloo blanket maintains seamless life-saving heat - maximising survival outcomes.

Which blanket should I use?

CORE

2-layer hypothermia blanket

A 2-layer blanket suitable for general use.

IG010
IGLOO CORE 2-LAYER HYPOTHERMIA BLANKET
MEDIUM | Emergency Orange
2.3m x 1.5m | 5 TOG

IG009
IGLOO CORE 2-LAYER HYPOTHERMIA BLANKET
MEDIUM | Coyote Brown
2.3m x 1.5m | 5 TOG

IG012
IGLOO PRO HYPOTHERMIA BLANKET
SMALL | Emergency Orange
1.1m x 1.5m | 5 TOG

IG011
IGLOO CORE 2-LAYER HYPOTHERMIA BLANKET
SMALL | Coyote Brown
1.1m x 1.5m | 5 TOG

PRO

3-layer hypothermia blanket

For patient thermal management, it is advisable to utilise a 3-layer blanket in scenarios involving critical, life-threatening conditions.

IG015
IGLOO PRO HYPOTHERMIA BLANKET
BABY | Emergency Orange
1.1m x 1.5m | 7 TOG

IG004
IGLOO PRO 3-LAYER HYPOTHERMIA BLANKET
X LARGE | Emergency Orange
2.3m x 2m | 7 TOG

IG003
IGLOO PRO 3-LAYER HYPOTHERMIA BLANKET
X LARGE | Coyote Brown
2.3m x 2m | 7 TOG

IG002
IGLOO PRO 3-LAYER HYPOTHERMIA BLANKET
LARGE | Emergency Orange
2.3m x 1.8m | 7 TOG

IG001
IGLOO PRO 3-LAYER HYPOTHERMIA BLANKET
LARGE | Coyote Brown
2.3m x 1.8m | 7 TOG

IG008
IGLOO PRO 3-LAYER HYPOTHERMIA BLANKET
MEDIUM | Emergency Orange
2.3m x 1.5m | 7 TOG

IG007
IGLOO PRO 3-LAYER HYPOTHERMIA BLANKET
MEDIUM | Coyote Brown
2.3m x 1.5m | 7 TOG

XTREME

3-layer hypothermia blanket + heat

Additional heat pads provide effective instant and long lasting warmth.

IG006
IGLOO XTREME 3-LAYER HYPOTHERMIA BLANKET + HEAT
X LARGE | Emergency Orange
2.3m x 2m | 7 TOG

IG005
IGLOO XTREME 3-LAYER HYPOTHERMIA BLANKET + HEAT
X LARGE | Coyote Brown
2.3m x 2m | 7 TOG

It's a wrap... Compact, ultra-light, ultra effective. Igloo is the final word in life-saving thermal retention.
