

## BOTTLE'S - BLACK

### MB11.022

The Elite BOTTLE'S neat 1litre bottle holster is manufactured from tough 1000D polyester and features a universal MOLLE anchorage system, allowing it to be secured to other packs or bags that feature these PAL webbings. A drawstring keeps bottles tightly in place and a high visibility, night & day band, means that the holder will always be visible, even in low lighting.

### Features

- Built using tough, high resistance 1000D polyester.
- High visibility night & day band.
- MOLLE webbing for anchorage to bags, backpacks or emergency vest.
- Holds bottles of various sizes thanks to the pull cord closure.
