

YardCard™ 12-Card Clinical Reference Set

Essential pocket reference tools for healthcare professionals

The YardCard™ Clinical Reference Set is a compact toolkit containing 12 durable PVC medical reference cards, a YardCard-branded badge reel, and a dual-orientation two-sided card holder. Designed by UK doctors, this set provides quick access to essential clinical frameworks, values, and charts used daily on the wards.

#	Card Title	Description
1	SBAR + GCS	Structured handover and Glasgow Coma Scale
