

COVID-19 TEST RESULT: **INVALID**

Test Notes

Your coronavirus test result is unclear. It is not possible to say if you had the virus when the test was done.

You must self-isolate for 10 days from the day after your test date.

You may choose to take another test, and if it comes back with a negative result, you no longer need to self-isolate. You may be contacted to check that you are self-isolating.
